Re: ***Renondeau v. Wildlife Conservation Society et al.***
Docket No. 1:19-cv02415-VSB-OTW
Letter Motion For Extension of Joint Status Letter and Adjournment of Post Discovery Conference

Dear Judge Broderick:

This office represents Plaintiff, Rucaldeau Renondeau, in this matter. We write on consent of all Parties to request and extension of the deadline by which to submit a Joint Letter, currently April 3, 2024, and to request an adjournment of the post discovery conference, currently scheduled for April 18, 2024.

The principal trial counsel, Gregory Calliste, Jr. Esq., has been on a leave of absence since October of 2023, and is expected to return this week. Upon Mr. Calliste's return, Mr. Calliste will resume his role as principal trial counsel and will have discussions with the client about the case moving forward as well as meaningful discussions regarding the prospect of settlement with counsel for the Defendants.

Accordingly, we request a brief two-week extension upon which to submit the joint letter, from April 3, 2024, until **April 17, 2024**. Given that the post discovery conference is currently scheduled for April 18, 2024, we would respectfully request an adjournment of the conference for a similar time period, of approximately two weeks, to allow for a meaningful conference.

There have been no previous requests made for this relief.

We thank the Court for its time and attention to this matter.

Respectfully Submitted,

/S/
Alexandria Jean-Pierre, Esq.
